

MHCO's 2004 Edition "Guide for Effective Community Management"

This handy 3-ring binder reference resource manual includes a multitude of topics covering management issues & questions regularly faced by manufactured home community owners & managers. The topics are clearly defined in the table of contents & can be easily referred to via tabbed sections. Copies of the 2003 ORS Statutes (Chapters 90, 91, 105 & 446) are contained in the manual along with a special question & answer section by MHCO's Legal Counsel Phil Querin.
