

MHCO's "Guide for Effective Community Management"

(2008 Edition)

This handy 3-ring binder reference resource manual includes a multitude of topics covering the many aspects of manufactured home community management and the many questions that community owners and their managers deal with regularly.

The topics are clearly defined in the table of contents and can be easily referred to via tabbed sections. Copies of the 2007 ORS Statutes (Chapters 90, 91, 105 & 446) are included.

Plus – there is a special question and answer section by MHCO's Legal Counsel Phil Querin.

**This helpful resource manual is a must have
for Oregon's manufactured home community
owners & managers!**
